

In the name of Allah, the Merciful, the Compassionate

The Blessedness of the Noble Prophet's Birth

Allah says: Surely Allah and His angels bless the Prophet: O you who believe! Call for (Divine) blessings on him and salute him with a (becoming) salutation.

Welcome O Mawlid of the Chosen One, breaking forth
Dazzling the intellects with radiant lights
We welcome your approach wholeheartedly
Bringing good fortune, blessings, and secrets.

O Mawlid of the Chosen One
O Mine of Secrets
O Collection of All Blessings
O Home of Mercies
In You is guidance just broken
The souls enlivened with it
O Mawlid of the Chosen One
O Joining of the Moons
O Mawlid of the Guide
In You, how many a camel driver chant
In You, how many rejoice
In You, how many sing praises of the Prophet
O Night of the Birth
O Night of Spiritual Guidance
O Story of the Chosen One's Life
O Pleasure of Night Companions
O Story of al-Kawnain*
O Beauty of the Two Abodes
O Choicest of the Creator
O Guiding Star of the Night Traveler
O Most Noble of Mother and Father
O Ka'bah of the Haramain
You are the intercessor
When mankind are in panic
Allah blesses you
How individuals are enriched!
You are without need of us

O Dawning of Lights
O Breaking of Dawn
O Spring of Goodnesses
O Apex of the Age
For mankind, like the morning
As it spreads its fragrance like eternity
O Season of Good People
O Separation of Eternity
In You, how many a singer sing
For Souls and Minds
In You, how many mend themselves
Like shining stars
O Night of Joys
O Night of Good
O Best of Evening's Entertainment
In the Most Fragrant of Remembrance
O Perfection of the Two Descriptions**
O Highest of Status
O Holy Book of the Qur'an Reciter
On land and sea
O Possessor of Honor from Both
O Rising of the Full Moon
At that Gathering
From the distress of the Reminder
In prose and in poetry
O Lord, honor us!
While mankind is in want

Send down to us rizq
O Lord, let us not fall into wretchedness
O Creator of Worlds
O Far-Reaching of Perfection

And pardon us gently
O Causer of Harm
O You Who Inspire Iman
O Possessor of the Command

* the Two Worlds

** the physical and spiritual
